Dear Sarah Chen:

Compliance Assurance Associates, Inc. (CAA) appreciates the opportunity to offer opacity training services to your organization via Toney, AL on 08/22/2026. The certification training is per U.S. EPA 40 CFR 60 Appendix A Reference Method 9, and is subject to CAA's terms and conditions (see www.compliance-assurance.com/terms.php).

Time-Sensitive Bid

The dates offered below are good until 06/23/2026 (60 days prior to the session date). The base-cost shown in the cost section is valid up to the session date offered; there may be additional logistics charges after 06/23/2026.

Schedule

Date	Event	Time/Schedule
08/22/2026	Field	08:00 am - 11:59 am

Cost

For up to 10 attendees to the field class, and up to 10 attendees using the online self-paced lecture.

Base Cost	\$4000
-----------	--------

Additional Online Self-Paced Lecture Attendees (over 10)	Number x \$50 ea	?
Additional Field Attendees (over 10)	Number x \$275 ea	?
Additional costs subtotal		0

Total Cost	\$4000
-------------------	---------------

(plus or minus unknowns)

Competitive Pricing

CAA is committed to offering the best value in the marketplace; we will strive to match a competitor's bid.

Next Steps

1. To finalize this commitment, we require a purchase order (PO) or credit card payment.
2. Enrolling your personnel via your client portal before the start-of-session helps speed up the sign-in process.
3. CAA will stay in contact with you prior to, and during the session.
4. Upon completion of the session, you will be billed for costs as outlined above.

Please note the extra details described on next page.

If you have any questions or concerns, please call my cell phone (see footer below). I look forward to finalizing your company's training.

Sincerely,

Derek Mason
Compliance Assurance Associates, Inc.
